2. Selection of Entries

Leinster Open Sea will review the information you supply in this form before offering you a place in the Dublin City Liffey Swim. Leinster Open Sea will allocate places to swimmers from Ulster, Connacht or Munster bases on our assessment of their ability to complete the Dublin City Liffey Swim. Places are limited.

Acceptance of this form/ online form or fee does not guarantee entry. Leinster Open Sea will refund money if we reject your application at the initial selection screening.

3. Visitors' Race Entry Requirements – Four Qualifying Open Sea Races

Leinster Open Sea run the Dublin City Liffey Swim under a handicap system so as to give each swimmer an opportunity of winning a place in their competition.

In order to qualify to compete in the Dublin City Liffey Swim swimmers must complete and submit times for a **minimum of four qualifying** swims so that the Handicapper can calculate a handicap.

This determines when you will start the race.

Slower swimmers will start swimming on “GO” whereas faster swimmers will have higher handicaps, increasing in intervals of 15 seconds after “GO”. Some swimmers will have to wait several minutes after “GO” before they can start to swim. The winner is the first swimmer to pass the finish line. The handicap system gives each swimmer an equal opportunity to win their respective competition.

4. Visitors' Race or Confined Race

Swimmers from Ulster, Connacht or Munster have the choice of entering either :

- Option 1 Visitors' Race; or
- Option 2 Confined Race.

Option 1: Ulster, Connacht or Munster Swimmers – Visitors' Race

The purpose of the Visitors' Race is to allow Ulster, Connacht or Munster swimmers who do not have the opportunity during the summer to travel to Leinster to come and swim in the Jones Engineering 99th Dublin City Liffey Swim.

Ulster, Connacht or Munster Swimmers can enter the Visitors' Race if they submit **four** times from open sea races of approximately a mile (1,600 metres) **anywhere in Ireland**. Please ensure to show:

- proof of participation from the organisers;
- your race time;
- the length of the course; and
- that you competed in a non-wetsuit category.

Please note that the qualifying four races can be anywhere in Ireland as long as they are run by a reputable organisation, (charity races, swimming clubs, triathlon clubs, local fund raiser etc.).

Examples of qualifying swims include any of the Munster Swims, Myrtleville Swims, the Prom Swims in Galway, the Boyne Swim, the ILDSA swims in Ulster. There are many more around Ireland.

Ideally the race should be at least 1,600 metres and the organisers should issue a verifiable time and distance.

If a competitor wears a wetsuit, that race will not count as a qualifying time for the Dublin City Liffey Swim.

Please email to leinsteropenseaswim@gmail.com printout from race results when submitting this form online. Please show that you competed in the non-wetsuit category.

Option 2 - Confined Competition Entry Requirements - Ulster, Connacht, Munster or Wexford Masters
